Re: Sierra Woods, Units 1 & 2

Dear Mr. Pilcher:

This correspondence verifies that the underground electrical and water distribution systems have been installed within the Sierra Woods, Units 1 & 2 Subdivision to Talquin specifications and are satisfactory to provide these utility services to all the lots and any other points of service. For your information, Talquin is already accepting requests for the two utility services.

If you or others have any questions concerning either of these two utilities, please feel free to call me at 562-0125.

Sincerely,
TALQUIN ELECTRIC COOPERATIVE, INC.
